OUR VISION:

To be the best and most respected industrial service provider striving to reflect the highest ethical and professional standards that can deliver a world class customer experience to client.

OUR MISSION :

To pursue excellence in all operations by improving quality standards and procedures and developing competitive people that can best render a world class service to clients.

Design and Build Services

Switch Nine Arabia Co LLC, specializes in the end-to-end design and build of state-of-the-art data centres and commercial buildings, delivering reliable, scalable, and energy-efficient facilities tailored to the needs of modern enterprises. Our expertise spans from initial site assessment and feasibility studies to design, engineering, construction, and commissioning of mission-critical infrastructure. With a focus on high availability, sustainability, and compliance with international standards, we create facilities that ensure seamless operations, optimized performance, and future-ready scalability. By combining technical excellence with innovative solutions, Switch Nine Arabia Co LLC is a trusted partner for organizations seeking robust digital infrastructure to support their business growth.

- ▶ Communication Cabling i.e ELV, Copper and Fiber
- ▶ Medium/Low Voltage Electrical Works, Distribution and Protection.
- ▶ Heating Ventilation and Air Conditioning
- ▶ Fire Detection, Alarm and Fire Fighting System
- ▶ Safety and Security
- ▶ Building Management System
- ▶ Civil Works and Fit Outs

- ▶ Environmental Monitoring and Detection System
- ▶ Data Center Air Purification System
- ▶ Integrated Pest Management
- ▶ Liquid Leakage Detection System
- ▶ Data Center Equipment Lifting and Hoists
- ▶ Integrated Pest Management and Protection
- ▶ Building Information Modelling

Environmental Corrosion, IAQ and Protection

Switch Nine Arabia Co LLC provides specialized testing and monitoring services for data center environments, focusing on corrosion control and Commercial Buildings indoor air quality testings to ensure the long-term reliability of critical IT infrastructure and human occupancy. Our services include advanced contamination and airborne particulate assessments, corrosive gas monitoring, and compliance with international standards such as ISA-71.04, ASHRAE, EPA and WHO guidelines. By identifying and mitigating environmental risks, we help prevent equipment failures, reduce downtime, and extend the lifecycle of sensitive electronic components and healthy working environment for human occupied space. With cutting-edge testing methods and expert analysis, Switch Nine Arabia Co LLC ensures a safe, clean, and stable environment that supports uninterrupted operations and optimal performance.

- ▶ Commercial Office Space, Hotels and Restaurant Indoor Air Quality Testing.
- ▶ Data Center Environmental Corrosion as per 71.04
- ▶ Data Center Clean Room Testing as per ISO 14644-1
- ▶ Critical Room's Clean Room Testing as per ISO 14644-1
- ▶ Zinc Whisker Testing
- ▶ Indoor Air Quality Testing
- ▶ Data Center De-Contamination Services
- ▶ Post Construction Cleaning Services
- ▶ HVAC Protective Coatings

Gap Analysis, Audit and Testing

Switch Nine Arabia Co LLC specializes in delivering comprehensive Gap Analysis, Audit, and Testing services for data centres, IT systems, and engineering infrastructure. Our approach identifies performance, compliance, and operational gaps against international standards and industry best practices, ensuring organizations achieve maximum reliability, efficiency, and resilience. We provide detailed assessments of critical facilities, IT environments, and engineering systems, followed by actionable recommendations to enhance availability, optimize resources, and mitigate risks. With a team of experienced professionals and advanced testing methodologies, Switch Nine Arabia Co LLC helps clients bridge the gap between current capabilities and future requirements, ensuring robust and future-ready operations.

- ▶ Data Center Racks Thermal Imaging
- ▶ Thermal Imaging of Electrical Distribution
- ▶ Thermal inspection for Moisture infiltration and Insulation Effectiveness
- ▶ Electrical System Capacity Utilization and Health check.
- ▶ Electrical Transient Analyzer Program (ETAP) for Load Flows, Arc Flash, Breaker Coordination and Short circuit Analysis for new design and existing system
- ▶ Grounding and Bonding Testing
- ▶ Single Point of Failure Analysis
- ▶ Power Quality Analysis
- ▶ Battery Internal Resistance Testing
- ▶ HVAC Gap Analysis for Design vs Utilization
- ▶ Computational Fluid Dynamic Analysis (CFD) for New Designs and Existing system performance analysis
- ▶ Fire, Safety and Security and Operation Assessment
- ▶ Data Center Threat Vulnerability Risk Assessment (TVRA) Services
- ▶ Integrated System Verification and Testing (ISVT)

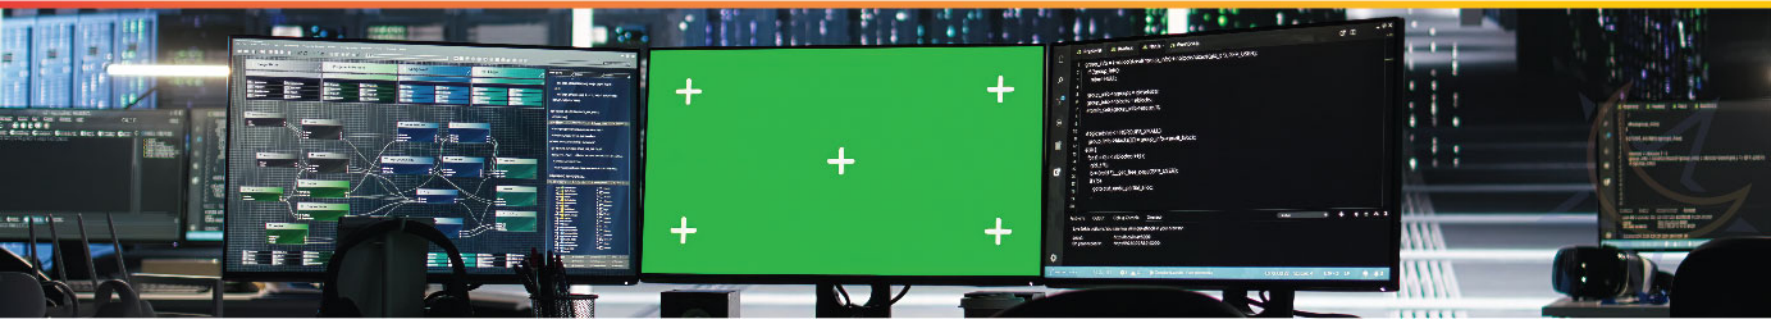

Professional Services

Switch Nine Arabia Co LLC, is a dedicated provider of comprehensive professional IT services, committed to empowering businesses with robust and scalable technology solutions. Our core focus is on understanding your unique operational challenges and strategic goals to deliver tailored support that drives efficiency, security, and growth. From proactive managed IT services, including 24/7 operation management and support, to strategic technology consulting, software development, and cybersecurity protection, we serve as your trusted partner. We ensure your infrastructure is not only resilient and secure but also a strategic asset that enables you to innovate and compete effectively in a dynamic digital landscape.

- ▶ Project Management Services
- ▶ Data Center Relocation and Migrations
- ▶ IT System Software Development and Licensing
- ▶ 3D visualization and Animation Services
- ▶ Business Continuity and IT Disaster Recovery Planning

- ▶ IT Governance and Cyber Security Framework
- ▶ Cyber Security Assessment and PAN Testing
- ▶ Project Commissioning Authority (CxA) Services
- ▶ IT, Engineering and HSE Training and Certifications
- ▶ Data Center Service Level Agreement

GENERAL CONSTRUCTION

We **Switch Nine Arabia Co LLC**, believe in successful construction industry is essential to all. We all benefit from high quality housing, hospitals or transport infrastructure that are constructed efficiently. **Switch Nine Arabia Co LLC**, committed themselves to driving forward the modernization of the construction industry and always strive to display excellence in Construction Industry. In Civil Construction we undertake Backfilling, Excavation, Asphalt, Concrete, Paving, Foundations, Road works. **Switch Nine Arabia Co LLC** with its rich professional management experience & highly trained and experienced professional's endeavors to serve and satisfy its customers to the optimal and achieve par excellence through quality service, commitment and to be recognized by our clients.

Switch Nine Arabia Expertise Includes:

- ▶ Buildings
- ▶ Electro Mechanical Work
- ▶ Prefabricated buildings
- ▶ City Improvements & Beautification
- ▶ Warehouses
- ▶ Workshops
- ▶ Administrative buildings
- ▶ Mosques

MAINTENANCE WORK

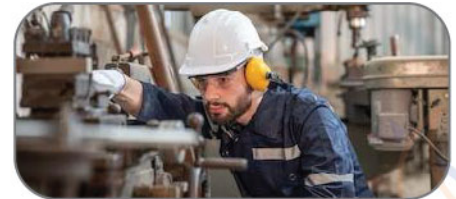

We Switch Nine Arabia Co LLC, does all kinds of maintenance works for industries such as oil and gas, construction, infrastructure facilities, food, steel and metals, cement etc, and also manufacturing and facilities. All of our maintenance contracts are designed to have a significant impact on the bottom line and generate substantial financial benefits.

Our Services

- ▶ General Works
- ▶ Electrical Support
- ▶ Plumbing Maintenance
- ▶ Cleaning Services
- ▶ Carpet & Upholstery Cleaning
- ▶ Power Wash & Paint Services
- ▶ Interior & Exterior Window Cleaning
- ▶ Pest Control
- ▶ Landscaping
- ▶ Doors & Windows
- ▶ Glass installation.
